

Focusing on R&D, manufacturing and production

Multifunctional outdoor consumer electronic products

Sincerely Invite: Global Sales Partners to Join

Jiayinuoxin (Shenzhen) Technology Co., Ltd. is a modern enterprise integrating R&D, production and manufacturing of 3C consumer electronics products.

Welcome: ODM OEM cooperation

JiayinNuoxin Technology co.Ltd.Office :

No.142-5 botanical Garden Road, BaolongStreet Longgang District,Shenzhen,Guangdong,China

Mail: lucas@kayinow.com zhufenglin@cnjynx.com

Contact number: +86 13509694898 +86 13537602576

Web :www.kayinow.com

Certificate

Jiayinnuoxin always pursues excellence.

The factory has passed ISO 9001 quality management system, BSCI, CQC, and its products have obtained certification from the China Electronics Industry Association, Guangdong Province High-tech Product Certificate, and has a number of product innovation patents.

Version 1 - Parameter

Product	DF-920	Polymer lithium battery	10000mAh~100000mAH Available
Bluetooth version	Bluetooth V5.2	Material	ABS+PC
Speaker	S/N ratio:>80dB(A)	Specification	4kg/ 380*200*220MM
Output Power	2*20W	FM	87.5——108MHZ
Mode	Bluetooth/FM/AM/ WB/NOAA	AM	520——1710 KHZ
Transfer Distance	10M	WB	162.4 - 162.55MHZ
Speaker	4 in 2*20W +2*Diaphragm	Input	USB-C (5V/2A)
Output	2 USB (5V/2A) 2 USB-C (5V/2A)	Note	Suitable for outdoor use

- * **FM/AM/WB/NOAA Weather radio**
- * **Bluetooth speaker & EQ**
- * **Reading lamp**
- * **Torch flashlight**
- * **Great power bank battery**
- * **Phone charger**
- * **IPX5 Waterproof**
- * **USB-C Input & USB output**
- * **S.O.S. alarm**
- * **AUX**

Version 2 - Parameter

Product	DF-919	Polymer lithium battery	3*2000mAH
Bluetooth version	Bluetooth V5.2	Material	ABS+PC
Speaker	S/N ratio:>80dB(A)	Specification	4kg/ 380*200*220MM
Output Power	2*20W	FM	87.5——108MHZ
Mode	Bluetooth/FM/AM/ WB/NOAA	AM	520——1710 KHZ
Transfer Distance	10M	WB	162.4 - 162.55MHZ
Speaker	3 in 2*20W	Input	USB-C (5V/2A)
Output	USB (5V/2A)	Note	Suitable for carpentry or construction sites

- * **FM/AM/WB/NOAA Weather radio**
- * **Bluetooth speaker & EQ**
- * **Reading lamp**
- * **Torch flashlight**
- * **Great power bank battery**
- * **Phone charger**
- * **IPX5 Waterproof**
- * **USB-C Input & USB output**
- * **S.O.S. alarm**
- * **AUX**

Portable Emergency Power Station

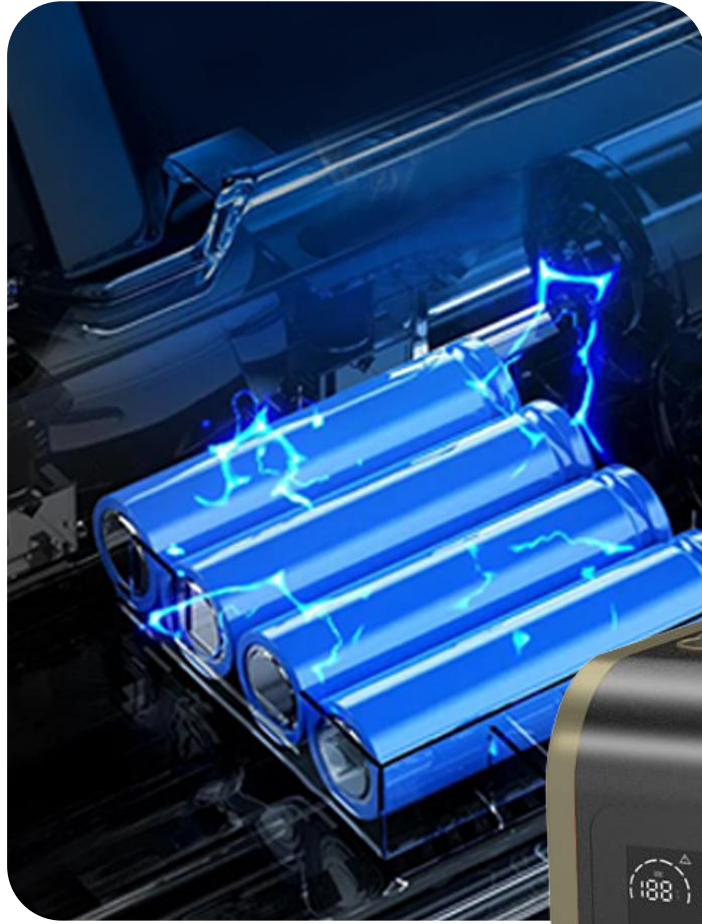

2048wh | Pure sine wave inverter BMS battery safety management

Multipurpose

6 output modes, 18 output ports for more flexible power consumption

**Multiple layers of protection,
Worry-free use**

Can be used with solar panels to charge directly outdoors.

Parameter

Battery type	Iron phosphate battery	2P16S		
AC output voltage	220V±5%			
Output Power	2200W constant power can drive 4000W			
Peak power	4400W			
Output waveform	AC pure sine wave			
Wave distortion	<3% linear load, <8% non-linear load			
Frequency	50±0.5Hz			
DC output	12V	USB	Type-c	Wireless charging
DC output power	120W	12W*3/18W*2	18W*3/100W*2	15W
Protective function	Short circuit, overload, over temperature, over voltage, over current, under voltage, low temperature, mains over voltage, mains under voltage, photovoltaic over voltage, output under voltage, etc.			
AC charging	1800W (Max)			
Vehicle, solar charging	800W (Max)			
Battery capacity	51.52V40AH(3.22V*16S)			
Life	>2000 times, remaining capacity 80% (5%-95%DOD)			
Physical dimension	405*275*303(mm) including foot pad height			
Weight	About 25Kg			

There are all the sockets you want

USB-A: 12W *3

USB-A: QC 18W *2

TYPE-C: 18W *3

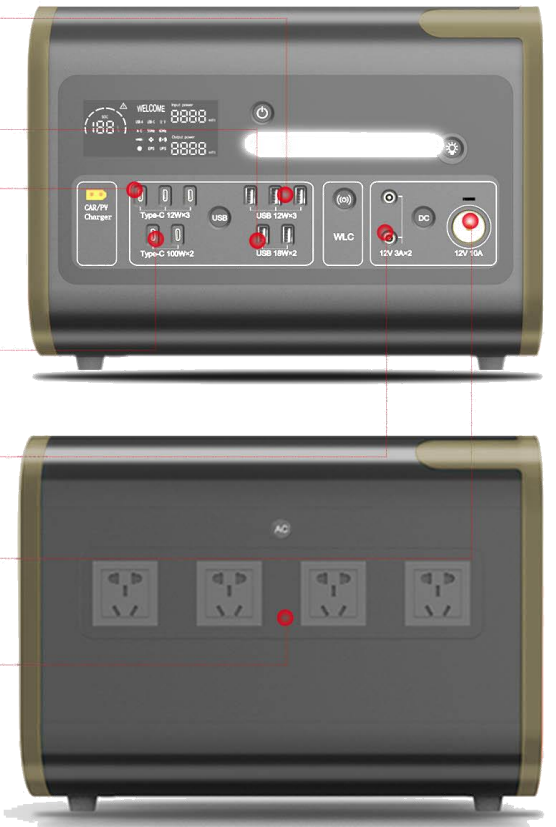

TYPE-C: 100W *2

DC output 12V*2

Cigarette lighter output*1

AC output*4

Wireless charging 15W*1

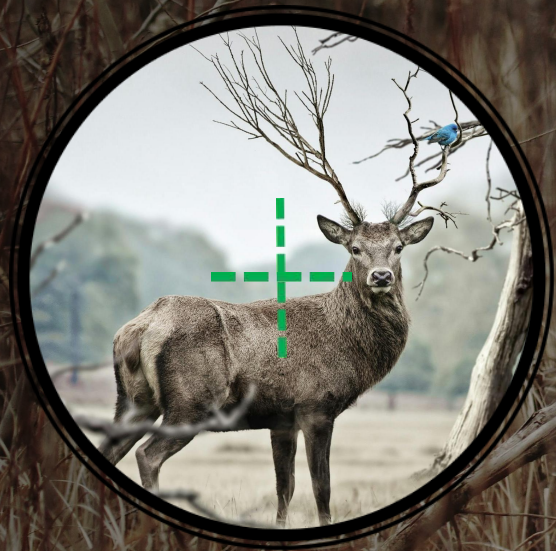

Monocular Night Vision Goggles

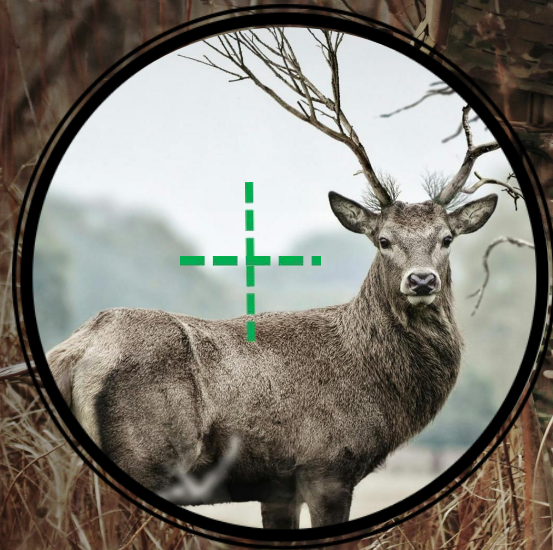

5x True Magnification

Optical magnification is 5 times, electronic magnification reaches 8 times, and the image is clear

1X

5X

Infrared night vision function

Freely adjust the infrared fill light even at night
It can also record clearly to ensure complete on-site
collection.

Large capacity rechargeable battery

Parameter		
Type	Functions	Data
Optical Performance	Magnification	5X
	Objective Lens Diameter	φ 35mm
	Field of View	7°x5.25°
	Eyepiece Adjustment Range	±0.5 Diopter
	Low Light Observation Distance	2m~∞
	No Light Total Darkness Observation Distance	~200m
Electronic Performance	Sensor	Low-light HD 1/3 CMOS
	Pixels	130W
	Photo Resolution	1280x1024
	Video Resolution	720P
	Display	1.54寸
	Electronic Magnification	8X
Basic Parameter	Product Weight	300g
	Product Dimensions	178*72*78mm
	Working Voltage	3.7V DC
	Auxiliary Power Supply	5.0V/700mA

Head-Mounted Night Vision Device

Parameter	
Image Resolution	36M/12M/8M/5M/3M/2M/1M
Video Resolution	4K/FHD/HD
SENSOR	1.3MP starlight sensor
Display Screen	Built-in dual screen: 1.4" 390*390 TFT inner screen, 7-level brightness adjustment, free switch between single and dual screen display, 7x magnification
Eye piece	Completely independent binocular technology, independently adjustable diopter for left and right eyes (diopter adjustment range +/-3, for both myopia and hyperopia)
Infrared Lamp	3W, 850nm strong infrared spotlight, 7-level infrared adjustment
Lens	F1.4 large aperture, f=25mm, FOV 10 degrees
Auto Power Off	1 min/3 mins/5 mins/10 mins/OFF
Observation Distance	200m-250m full dark observation distance, 1m-infinity low light observation distance
Magnification	8x digital zoom
Power Type	3.7V , 3000mAh lithium battery
Microphone	Built-in
Environment Temperature	Operating temperature: -20°C to +50°C, Storage temperature: -30°C to +60°C
Dimensions and Weight	Approx.152mm*122*55mm /440g

Infrared Night Vision Device Crosshair

High Definition Night Vision

No scope required, can be used directly

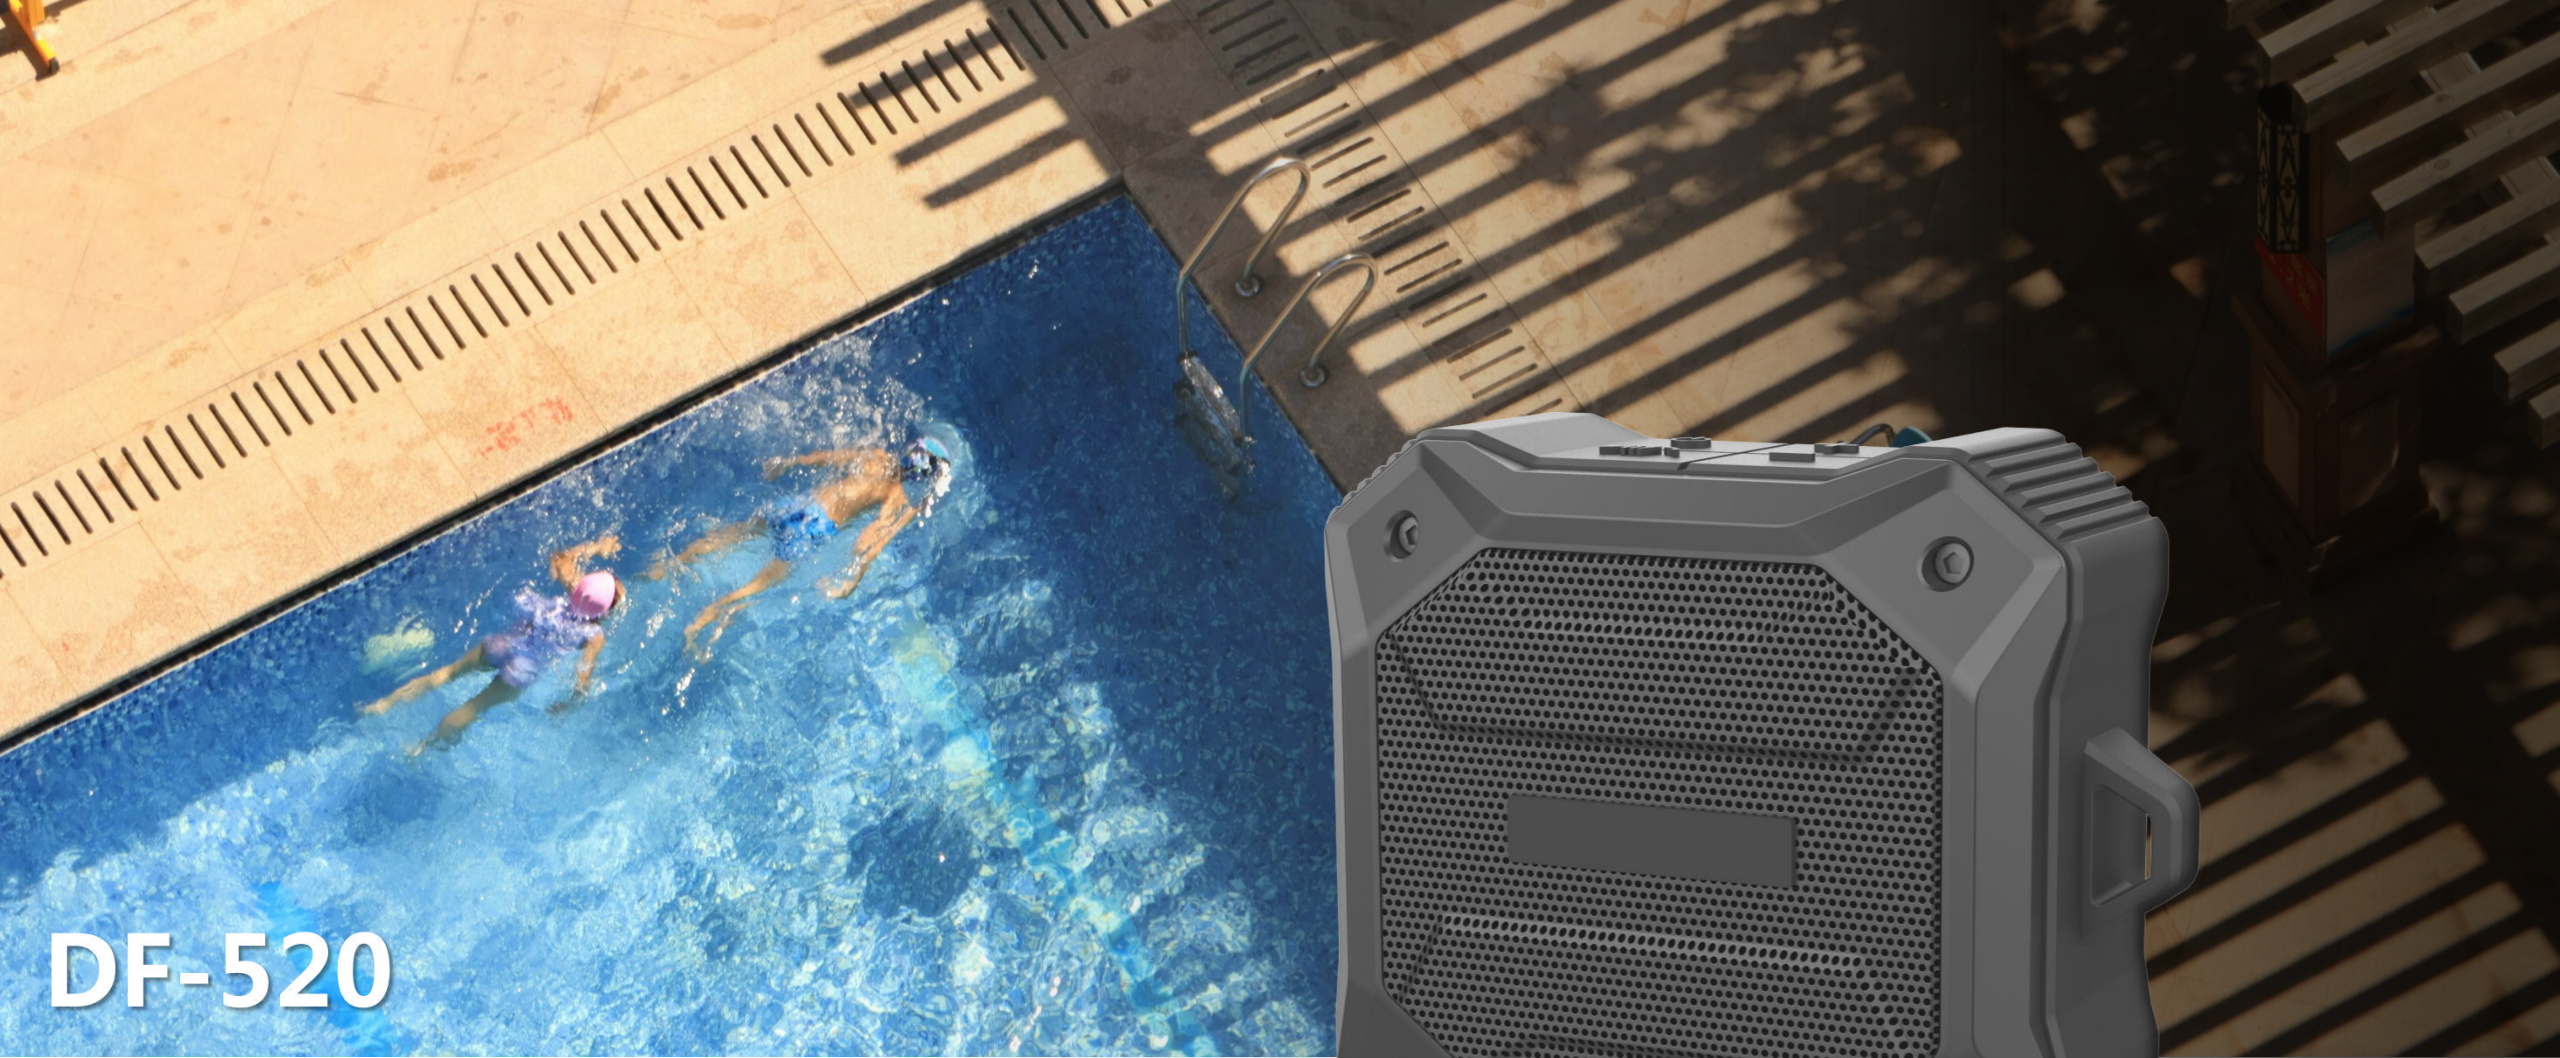

The red laser has a longer range

[Laser sight] presents quality with simple design. The laser range can reach 2000-5000 meters. Red laser can be used day and night.

Parameter	
Model	CYF-D+
OL Display	1.54 inches OLED
Resolution	320*320
Main Chip	TAIWAN HASTER Main Chip
Image Sensor	CMOS SONY307
Infrared	850/940
Video Sync Delay	Less than 0.01 seconds
Full Dark	Effective distance 200-300 meters, visible distance 500 meters
Battery Type	852535*2,1 700MAH
Battery Life	Without infrared: 4-5 hours, with infrared: around 1.5 hours
Working Time	Supports - Charging while working
Video Format	AYICVBS
Memory Card	Not supported
Dimensions	Length 20cm, Height 11cm, Width 8.5cm

Bluetooth Speaker**

More Function

TRUE WIRELESS STEREO

DOUBLE SURROUND SOUND
DOUBLE SHOCK SOUND FIELD
CINEMA-LEVEL AUDIO-VISUAL FEAST

The image shows two black and green wireless speakers on a wooden surface. A blue soundwave graphic is between them. Below, a smartphone displays a music player interface with a blue wireless signal icon.

bluetooth 5.0

您好

The image features a black speaker with a mesh grille, a hand holding a smartphone displaying a call interface with a red 'Hello' message, and a white cup of coffee on a saucer.

The image shows a person in a green and blue cycling outfit riding a mountain bike on a trail, and another person in a yellow jacket and red backpack hiking. Two circular callouts highlight the speaker's portability on the bike and on a hiker's pack.

Small and portable

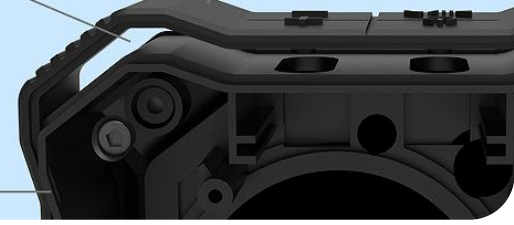

The image shows a black speaker being splashed with water, with droplets flying around it.

IPX7 waterproof

Macromolecule polymer

High material technology
Waterproof and drop resistant

High density TPU
Rugged protection

The image shows a close-up of the speaker's black, rugged casing with various ports and buttons.

LARGE CAPACITY BATTERY

can play music for a long time, enjoy a good time with TA

The image shows a green battery icon with a yellow lightning bolt, a 'Full charge' icon with a battery symbol, a 'Long battery life' icon with a music note, and the speaker.

PRODUCT PARAMETERS

Product model: DF-520V

Bluetooth version: 5.0

Bluetooth distance: 15m

Size: 98 * 85 * 48mm

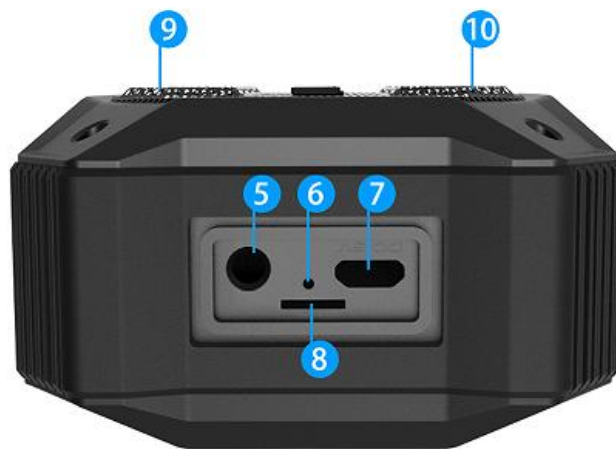

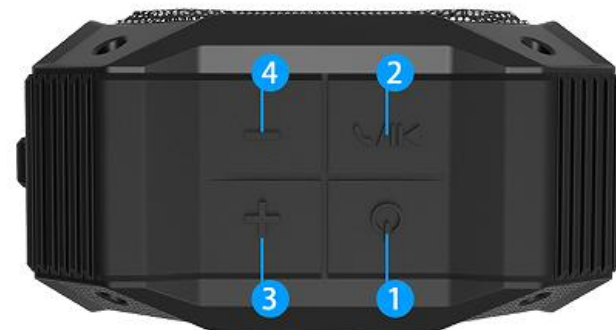

Power rate: 5W

Frequency response: 20Hz-20KHz

Distortion rate: THD <10%

Play mode: BT / AUX / TF

Battery: 800mAh

A green tent is pitched in a forest. The tent is set up on a dirt ground with several logs and branches scattered around. A large, dark green backpack is leaning against the tent, and a rolled-up brown blanket is on top of it. A lantern hangs from a string near the tent's entrance. In the background, there are many tall, thin trees, and the scene is dimly lit, suggesting a misty or overcast day. The overall atmosphere is serene and outdoorsy.

Look forward to working with you

Thank You
